

MTP Change - MCOs Responsible for Stretcher Services

Beginning November 1, 2016, Medical Transportation Program contractors will no longer provide stretcher services in the counties listed below. This change means MCOs in the Dallas, Tarrant, Harris, and Jefferson service areas will be responsible for the full array of non-emergency ambulance services, including stretcher services, as is currently the requirement in the rest of the state.

The following MCOs are impacted by this change: Amerigroup, Molina, Parkland, Superior, Aetna, Cook Children's, Cigna Healthspring, Community Health Choice, United, and Texas Children's.

This change is taking effect November 1 in the following counties:

DALLAS	HUNT	PARKER	BRAZORIA	HARRIS	MONTGOMERY	TYLER
